Following Up with Previous Appeal Contributors

This week, each parish will receive a list of those who have contributed from their parish to the Appeal in 2013, 2014 and/or 2015, but have not yet contributed towards this Appeal.

More instructions will be given along with the email. Whether you're over your target or are still working to accomplish it, we strongly encourage you to follow up with these previous contributors.

THANK YOU!!!

Thanks to the efforts of our pastors, volunteers and parish staff members, the 2017 Appeal has been a tremendous success!

We truly appreciate everything you've done to help us realize a strong return for the Annual Appeal!

Are You Still Receiving Appeal and/or Living Our Mission Donations at Your Parish?
