

**\*\*IMPORTANT INFORMATION - PLEASE READ\*\***

Welcome to the **first-ever** fully digital in-pew process for the Annual Diocesan Appeal – *Building Our Family of Faith*.

Once again, please find the dates for the in-pew weekends:

- **DIGITAL In-Pew Weekend #1: February 20 – 21, 2021**
- **DIGITAL In-Pew Weekend #2: February 27 – 28, 2021**

Note that these dates align with the timing that we used last year for the 2020 Appeal and were finalized in consultation with the Office of Liturgy and Worship.

With a fully digital in-pew process, many of the normal items that are usually required to run the in-pew process such as in-pew pledge cards, barcoded stickers, donation summary reports and mailing envelopes will not be necessary. Therefore, in this package, you will only find two items.

1. **Blank Pledge Cards**
2. **Return Envelopes**

This year, the expectation will be that nearly all Appeal donors will be contributing through the direct mailings or online. **This means the amounts in this package are small by design. They should be used sparingly and only in cases where someone expresses a sincere concern about contributing online.** We recommend that you keep these pledge cards and return envelopes at the parish office and have a point of contact (parish secretary for instance) in case someone wants to pick one up.
