

You can establish your CCF Donor-advised Fund (DAF) today with an irrevocable gift of \$25,000 and then recommend grants to your parish and ministries, as well as other organizations of the Diocese of Richmond that are close to your heart.

GIVE YOUR WAY

You recommend the amount of each grant. CCF staff are able to assist you with finding organizations in the Diocese of Richmond that fit your priorities and meet your goals.

SIMPLIFY YOUR PHILANTHROPY

Without the complications of a family foundation, or the time entailed in writing checks for your contributions, a CCF Donor-advised Fund makes it easy for you to consolidate your giving while eliminating the burden of paperwork and grant administration. CCF will take care of all of that for you.

ENJOY THE ADVANTAGES OF CCF'S DAF

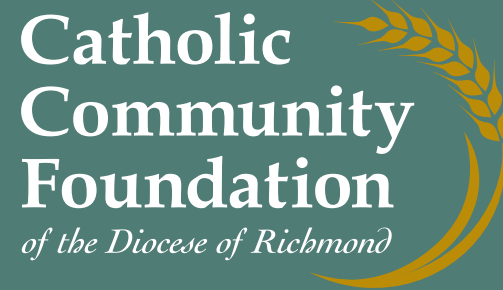

You can contribute to your DAF as often as you'd like and receive an immediate income tax deduction.

PROTECT YOUR PRIVACY

You can make any or all grants anonymously if you wish.

The mission of the Catholic Community Foundation (CCF) is to inspire God's people in the Diocese of Richmond to become partners in building the Kingdom of God; stewarding their faithful generosity as they intend to give never-ending hope to generations of people served by the parishes, schools, agencies and ministries of the Diocese.

CCF is your resource for endowments, planned giving, and high-impact philanthropy through donor-focused options.

How a Donor-Advised Fund Works

Contribution

You make an irrevocable contribution of assets.

Deduction

You receive an immediate tax deduction, the maximum allowed by the IRS.

Administration

You name your Donor-advised Fund account, advisors, and successors and ultimate charitable beneficiaries. CCF places your contribution in a Donor-advised Fund account. It is invested and grows tax-free.

Grantmaking

You recommend grants from your DAF account to qualified charities, at a time and on a schedule of your choosing.*

Leave a Lasting Legacy

Similar to a family foundation, but without some of its complications, you can ensure that granting continues after your lifetime by naming a successor to take your place as grant advisor. You also have the option, when setting up your DAF, to designate an ultimate gift of the remainder of your DAF to a parish, school or Catholic organization of the Diocese, or to create a permanent endowment.

* Grants may not be made to fulfill pledges, membership commitments or in exchange for any benefit to the donor.
